

GUIDANCE NOTES FOR REGISTRATION AND RENEWAL OF HEALTHCARE

Entitlement

The Gibraltar healthcare scheme is a contributing system called the Group Practice Medical Scheme (GPMS), whereby persons are entitled, through Social Insurance contributions made and/or if residing in Gibraltar under a Permit of Residence **or** a residence permit granted under the provisions of the Immigration Control Act.

If however, you are not contributing to the scheme through Social Insurance contributions you may be required to pay the voluntary contribution annual fee; so long as you satisfy the eligibility criteria.

Registration with the medical scheme will not be completed until full payment has been collected.

In order to apply for healthcare, we require a fully completed application form and accompanying documents to support your application as described below in the relevant sections.

If you are married and applying for the first time, we will also require a copy of your marriage certificate, as this will be essential to establish your family composition for healthcare purposes. This is vital for the GHA to understand and consider your social determinants of health. If you are already registered and your circumstances have changed, we will also request this information.

Dependants

You are able to register your spouse and children (under the age of 18 years) as your dependents under the Medical Group Practice Scheme. For the requirements on application, please refer to the section, Dependant of Contributor.

If the application is for a dependent other than the spouse or child (under the age of 18 years) of a registered person, a **dependent form** must be completed for inclusion in the scheme.

For more information on dependants please see

<https://www.gibraltarlaws.gov.gi/legislations/medical-group-practice-scheme-act-1094> and scroll down to Page 3.

Cross-border workers

A cross-border worker actively paying contributions towards the scheme is entitled to access medical healthcare in Gibraltar. For the requirements on application, please refer to the section, Persons employed in Gibraltar.

If you come within the scope of the withdrawal agreement, you will be issued with an S1 Certificate. This certificate will be required upon application.

An S1 can be requested from Contributions Unit, Income Tax Offices Gibraltar.

Persons may verify their status via the online platform, launched by HMGOG for this purpose. This website can be accessed on Frontier Workers Search (egov.gi)

Frontier workers are also able to contact the Gibraltar Department of Employment to obtain a letter certifying that they are frontier workers covered by the scope of the Withdrawal Agreement. The Department can be contacted for these purposes via email frontierworkers@gibraltar.gov.gi or telephone 20011050 or 20011024.

Registering your S1 with the Spanish authorities

(Rights of insured persons and their family members under Regulations (EC) No 883/2004 and (EC) No 9897/2009

Your S1 form is essential to establish your right of access to healthcare in your country of residence (i.e.: cross-frontier workers wanting to access healthcare in Spain, but who work in Gibraltar)

Insured persons and/or their family members must register with the institution of their place of residence using the S1 form 'Registering for healthcare cover' setting out their rights. This form is issued by the competent institution (in this case Gibraltar) at the request of the insured person.

In order to register your S1 form with the Spanish social security office (Instituto Nacional de la Seguridad Social - INSS), you will also need to obtain the following documents:

- Certificate of Residence in Spain (Certificado de Residencia with your Numero de Identificacion Extranjero) - available from your nearest National Police Station. You can be assigned an NIE without having taken out residency therefore please make sure your NIE is printed on a green form - not a white one.
- Certificate as a Local Resident (Certificado de Empadronamiento or 'Padron' from the Town Hall)

You will also need to show your valid passport when registering your forms. Your local INSS office will be able to tell you if there are any other documents they require.

If you have dependents, please make sure your marriage/birth certificate are legalised with a Hague Apostille as you will be asked for proof of this by the Spanish authorities and at the Spanish Social Security office
